Support Local Restaurants With These Big Deals

Utah restaurants have been hit hard by the COVID-19 pandemic because they've had to stop dine-in services. To help keep them afloat during this challenging time, 2for1 has partnered with some organizations to purchase $100,000 worth of food from participating restaurants, then offer the food for free to you. Show your support for Utah restaurants by grabbing these big deals when they happen!

How the #UtahRestaurantResurgence Works

DOWNLOAD THE 2FOR1 APP

You can view all free food offers on our free app. We'll notify you when nearby restaurants are offering free deals. Check the app for periodic updates. While you're in the app, you can check out other discounts and coupons for your favorite restaurants.

REDEEM FOR FOOD AT RESTAURANTS

Visit the participating restaurant and present the app to redeem the deal. No purchase is necessary for the free offer events, but we encourage you to grab a side or drink while you're there! Remember to practice social distancing rules when you swing past.

SHARE THE LOVE

Spread the word to friends and family! Local restaurants have seen dramatic dips in their business because of the coronavirus. We want to show them appreciation and encourage others to do the same. Use the hashtag **#UtahRestaurantResurgence** when sharing your free meal on social media.

Frequently Asked Questions

What is 2for1?

2for1 is a free mobile app that gives users access to thousands of deals for the best local restaurants, entertainment, spas, and so much more.

Is it safe to visit restaurants right now?

Is there a limited amount of free offer deals available?

Support Governor Herbert's 3T Challenge

Knowing that the suspension of dine-in services would significantly impact restaurants, Utah Gov. Gary Herbert has encouraged Utah citizens who are able to order delivery or takeout from local restaurants. The official challenge — The 3T Challenge — invites Utah residents to order takeout three times a week to support restaurants. The **#UtahRestaurantResurgence** helps support this challenge.
