## GROUP FITNESS CLASSES FOR EVERY LEVEL

From Zumba classes to cycling, many of our cardio classes target weight loss. Start out your weight loss journey with flexible classes that let you stay in your comfort zone, or step out of it. All classes are led by certified teachers who can help you reach your goals and see real results. To accommodate busy schedules, we offer classes at convenient hours across seven locations throughout Las Vegas.

## CLEAN, SPACIOUS AMENITIES

We have everything you need to start a healthy fitness routine. Our cardio entertainment areas and classes are suitable for a range of fitness levels, and our coaches are always available to guide you on how to use equipment and answer any questions. Plus, ladies can enjoy the privacy of our women's-only centers inside each club. If you want to crank up the training and get one-on-one support, we can pair you with a personal trainer that meets your needs.
